To those at the FCC...

I respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide traffic and weather information to its subscribers.

It would be WRONG to restrict paying listeners from hearing the variety and quality of broadcast uniquely aired on XM RADIO. Restrictions such as this are in direct violation of the freedoms protected by the First Amendment.

Thank you for adding me to the petition to REJECT the NAB's petition 04-160 and to support XM Radio.
